Door Stewards & Transport Provision

We are looking for volunteers to help with the following:

1. To welcome the congregation at the door as they enter church for worship and hand out any literature or notices.
2. To join the volunteers who provide transport to the services for those who are unable to attend on their own.

If you are able to help this would be greatly appreciated and would ease the burden on those who help now.

Please contact Mike Curry for more detailed information.
