COLLECTION OF JEWELLERY. Etc

The Fundraising Committee has suggested that one way to raise funds for the Church would be to have an ongoing collection of unwanted Jewellery/watches etc containing silver or gold, which can then be sold to help fund some Church improvements. For example, the recovering of the Church chairs. Any donations will be gratefully received by Janis Wood

Church Council Meeting

Members Please Note:

The next meeting of the Church Council will take place this Tuesday 15th October at 7.30pm.

The following points were discussed at the recent Church Steward's Meeting

We need to appoint an additional Church Steward and we are asking for volunteers or nominations, ideally in time for the Church Council Meeting. If you would like to know what is involved please speak to one of the stewards.

Also, we are in need of volunteers to help transport those unable to attend Sunday services. Please speak to Mike Curry if you feel you would be able to help with this.

Use of the building

Over the summer holidays, when the building was not in normal usage we were able to relax the need to clear the schoolroom of tables and chairs after meetings etc.

We are now operating fully again, and each group are asked to revert to ensuring the schoolroom and church area are cleared totally of additional tables, chairs, items for sale etc. Paying groups are entitled to a clear area for their activities and agreements for leaving items out for those who follow must not be entered into.

This also applies to tables and chairs being left out after Saturday coffee mornings ready for Sunday.

Saturday afternoon is the only time our cleaners have the opportunity to wash the schoolroom floor and we should not expect them to have to move tables and chairs. All furniture and other items should be returned to the storeroom.
