We are looking for someone to join our church team as a Steward.
Church Stewards are corporately responsible with the Minister for giving leadership and help over a whole range of the Church's life and activity.
You don't need previous experience—just a willingness to help, a warm and approachable manner, and a commitment to supporting the life of our church.
Training will be given by the existing stewards.
If you feel that this sounds something you would like to find out more about, please contact Janet Claydon for a role description.
